WELCOME

Welcome to our school community.

We are a Catholic Primary School maintained by the Diocese of Wrexham. The school was officially opened on Tuesday 17 January 1933 with the admission of 49 children. Today the school can admit up to 240 pupils.

The Catholicity of the school permeates all we do and is summarised by our Mission Statement, 'Grow in Love'. We believe that school MUST be a happy, caring place in which all can grow as God's children. On entering the school, most visitors tell us that they can sense this happy, caring atmosphere..

We have a hardworking, highly motivated team of staff who, on a daily basis, put our mission statement into practise as we strive to address each child's individual interests, needs and abilities.

It is hoped the information given on the following pages will be of use to you. Please do not hesitate to contact the school about any problems or suggestions you may have. This document is updated to include any important changes in procedures or required additional information during the course of the year and on an annual basis. Copies of the most current version of this document are held in the school office and available on the school website. Further information about the school, including all policies, can be found on the school website.

Thank you for choosing our school.

Mr J Wilkinson
Headteacher

Our mission is to provide a welcoming Catholic, happy, safe, inclusive and supportive learning environment in which everyone is equal, valued and respected.

A community where children, families and staff grow and make maximum use of their God given talents. In forming a partnership with parents and carers we strive to be at the centre of the local community.

Our goal is to support and nurture in order to develop well rounded, confident and responsible individuals who aspire to achieve their full potential.

The GIFT Team leading worship opportunities in our school.

Our nurture room to further support pupils in a stimulating environment.

Whole school sporting competitions in our house teams.

Transition to high school opportunities from Y4 upwards.

Taking part in community competitions, like Colwyn in Bloom.

Sharing and celebrating our musical talents.

Residential trips to build confidence and develop teambuilding.

Our vision for each child is to develop a curiosity of learning, discover their interests and help them grow in their love of learning; to be responsible citizens and to make a difference. We aim to equip our pupils with the skills and mind set to thrive and take on the world.

Real life experiences make enthusiastic learners.

Supporting charities like T4U Christmas Shoebox.

Celebrating topical events such as Black History Month.

Learning in creative ways.

Staff offering a wide range of extra curricular clubs to spark interest..

Learning out in the community, making connections with local businesses.

Our Values

A St Joseph's, the **Gospel Values** are embedded across the school and permeate everything we do. We focus on eight core Gospel Values.

We strive to live out our motto – Grow in Love. Jesus taught us the new commandment was to 'love one another' and we believe that by living out these Gospel Values in our everyday lives, they will help us to Grow in Love together.

Together with our vision and mission statements, our values help form our collective identity.

Learning Powers

Here in St. Joseph's we follow the Shirley Clarke approach, encouraging a positive mindset to our academic studies. The Learning Powers are promoted in each class and the children use them to help motivate them when completing tasks and challenges.

Your child will be encouraged to develop the following skills...

Problem Solving

Independent Thinking

Self-Belief

Academic Success

Environmental Awareness

Kindness and Respect

Resilience

Confidence

Musical and Artistic Talents

Sporting Ability

They will be offered the following experiences.....

A strong sense of belonging to our family.

An appreciation of diversity and equality.

An understanding of our local area.

Friendships

Trips out

A love of Welsh culture and language.

Prayer, Faith, Sacraments and the importance of Church

Learning in and about the natural world.

Variety of after school activities and sporting experiences.

Co-educational

COMPOSITION OF SCHOOL GOVERNORS

The School Governing Body consists of fourteen members, some of whom are appointed by the Bishop. These are called Foundation Governors and serve for a term of four years. Other Governors represent the Local Education Authority, the District Council, the parents and the teachers of the school.

Governors nowadays have an increasingly demanding role in the running of the school. They are responsible not only for the maintenance and care of the building but also for the curriculum. In addition the Governors are expected to exercise budgetary control over the school's expenditure on staffing, heating, lighting, purchase of equipment and general maintenance of the property.

The parent Governor, as the title implies, represents the interests of the parents, and should be contacted if you have any matters pertaining to your children's education which you wish to be brought to the notice of the Governing Body. All Governors are invited to spend some time in visiting the school whilst it is at work and becoming familiar with routine and practise.

Chair	Mr P Mulholland	Parent Governor	Mr A Campion
Vice Chair	Mr A O'Kelly	Foundation	Fr V Parunanthu

Mrs B Davies	Mid-day Supervisor

PUPIL ADMISSIONS

The ethos of this school is Catholic. The school was founded by the Catholic Church to provide education for children of Catholic families. We ask all parents applying for a place here to support and respect this ethos, its importance to the school community and the education it provides. This does not affect the right of parents who are not of the faith of this school to apply for and be considered for a place here. The school follows Diocesan guidelines on admission

The School's Admission Number for the school year beginning September 2025 is 30.

The Governors have agreed that in the event that the number of applications exceeds the number of places available, then the following criteria will be applied in the order set out below, to decide which pupils to admit.

1. Looked after children and previously looked after children.
2. Baptised Catholic children whose home address is within the parish boundaries named for the school.
3. Catholic children whose home address is outside of the parishes served by the school for whom this is their nearest Catholic school.
4. Children who will have an older sibling attending the school in **September 2025**; so not in Year 6. (see definition of sibling in the later section of the policy)
5. Children, who are baptised or dedicated members of other Christian Churches.
6. Children of other faith traditions whose parents express a desire for a Church School education.
7. Pupils who have no particular faith background but whose parents desire a faith-based education for them in a Catholic school.

Please note, any child for whom the school is named in a statement of special educational needs will be admitted before the application of oversubscription criteria.

In all categories, for a child to be considered as a Catholic, evidence of Catholic Baptism or Reception into the Church will be required. Those who face difficulties in producing written evidence of Catholic Baptism/Reception should contact their Parish Priest. Parents making an application should also complete a St Joseph's Registration Form. Failures to complete a St Joseph's Registration Form and provide evidence of Catholic Baptism/Reception may affect the criterion the child's name is placed in.

Within each category those living nearest to the school are accorded higher priority. The distances are calculated by use of the Local Authority Geographical Mapping System which accurately measures the distance from the home address to the school with the safest travelling route. If distances are equal, as calculated by the GIS system, for example a flat in a block of dwellings with the same front door entrance, a differentiation by floor level will be used.

Nursery Admissions

Pupils are admitted to the Nursery, which is part of our Early Years class in the academic year in which they are four – that is, any child who is three by the 31st August can be admitted in September. Nursery class is not a statutory provision; admission to Nursery **does not** guarantee admission to Reception; if a child has a place in our Nursery the appropriate application form for admission into Reception must be submitted within the prescribed timescale of the annual

admissions round. There are 30 places available in the Nursery class. If application numbers exceed this limit, then the oversubscription criteria will be followed.

For further details, see '4. Admissions Policy' on the school website.

SCHOOL ORGANISATION

The school year is from September to the following August. Children who are accepted for Nursery should be 3 years of age before 31 August for September admission. Children starting full time school must have their 5th birthday during their 1st year - ie Reception year.

Parents who are considering sending their child to St Joseph's School are invited into school prior to admission to meet the Headteacher, view the school and discuss arrangements, requirements and expectations.

Parents of Reception and Nursery age children, in addition, have an opportunity in the summer term prior to admission to meet with teaching staff and attend an information presentation.

Children leave St Joseph's at the end of the school year during which they have attained their 11th birthday. Information regarding Secondary Schools is sent to parents during a child's final year at St Joseph's.

The school is organised into seven classes to accommodate up to 210 full time pupils and one Nursery class providing 0.5 education (mornings) for up to 30 pupils.

Classes are made up of single year groups and are of mixed ability.

For further details, on Nursery provision see 'Nursery Prospectus' on school website.

PLAYGROUP

The Playgroup is run by Mrs M Wellings with the assistance of Mrs S Aldred, Mrs Z Szmit and Mrs K Bates. It is open each afternoon for children from the term they are 2½ years old. Further details are available from Mr Wilkinson or Mrs Wellings (mckevittm1@hwbccymru.net). St Joseph's Playgroup is included in the Welsh Government Flying Start initiative and 30-hour funding scheme.

AFTER SCHOOL CLUB

The school operates an After School Club. The club is run by Mrs S Willey, with the assistance of Mrs B Davies. It is open from 3.20 pm – 5.30 pm each evening after school. Further details are available from Mrs Willey, Mrs Davies or Mr Wilkinson (After School Club Mobile – 07707344997).

SCHOOL HOURS

Morning	Nursery	8.55am - 11.30am
	Foundation	8.55am - 11.45am
	Key Stage 2	8.55am - 12.00pm
Afternoon	Foundation	12.55pm - 3.15pm
	Key Stage 2	12.55pm - 3.15pm

All children have a mid-morning break.

Teaching Times – Foundation Phase - 21 hours per week

Teaching Times – Key Stage 2 - 23.5 hours per week

DROPPING OFF/COLLECTION OF CHILDREN

Parents/carers should drop children at the designated gate between 8.45am and 8.55am. If drop off needs to be earlier, then parents/carers can make use of our free Breakfast Club (see below). We prefer younger children to be brought to school and met at the end of the day by a parent/guardian. If parents arrange for someone other than themselves to collect their child/children from school then it is important that the school is informed as early as possible.

It is essential that parents do not stop or park on the zig-zags lines at drop off or collection.

BREAKFAST CLUB

Breakfast Club is available free of charge for all full time pupils. Parents who wish to make use of this service must complete a Registration Form for each child. The Club opens at 8.10am and there is no entry after 8.30am. Pupils are provided with a healthy free breakfast of toast and/or cereal plus a drink. Parents may drop their child between 8am and 8.10am for a fee of £1.

For further details, see '37. Breakfast Club' policy on the school website.

BEHAVIOUR AND DISCIPLINE

St Joseph's school endeavours to help children develop self-discipline, understanding and maturity of thought. At the beginning of the school year each class draws up a set of agreed class rules, consequences and rewards for good behaviour which are shared with parents at the initial Parents' Evening in the Autumn Term. We use tick charts, merit cards, certificates, badges and privileges to reward children. If children are badly behaved on a regular basis, parents will be contacted and invited into school to discuss the problem and seek solutions.

Bullying, including cyberbullying, is not tolerated. We use the KIVA Strategy to prevent and address issues of bullying. All issues are investigated and recorded following county guidance and necessary actions initiated for both the victim and the perpetrator.

Exclusions from school may occur, following statutory guidelines, should there be a serious breach of discipline. All parents are required to sign our 'Home School Agreement' on an annual basis. This document sets out expectations of staff, parents and pupils and helps to ensure the smooth and successful education of our children.

For further details, see '9. Pupil Behaviour and Discipline Policy' on the school website.

ATTENDANCE

It is **essential** that your child attends school each day and arrives on time. Every day of absence has an impact on your child's education. Research shows that there is a direct correlation between low school attendance and pupil under-achievement.

If a child is absent for any reason, parents should contact the school before 9.15am. Should no reason have been received, school will try to contact you by telephone on the first day of your child's absence. If a parent or guardian fails to contact the school in written or verbal form, the pupil is regarded as an unauthorised absentee.

In line with Welsh Government and county guidance, the school does not support holidays in school time. Conwy's policy on holidays in term time is currently under review. Contact school if you require the latest information.

For further details, see '30. Attendance Policy' on the school website.

HOMEWORK

When homework is set it is usually to help overcome a particular problem, reinforce a new area of learning or to enable children to catch up on some work. Sometimes homework may be given to enable children to gather material or information for class-work. Often pupils are asked to go over individual reading books at home. Whatever the homework is, staff expect parental support to ensure tasks are carried out.

FIRST AID AND MEDICAL CARE

Basic first aid is given at school when necessary. If an accident requires hospital attention, we will make every effort to contact parents/ carers first. **Please ensure information from you is up to date so that you can be contacted.**

There are three named first-aiders:

Mr J Wilkinson, Miss E Copp and Mrs E Roberts

Vision and hearing tests are carried out in Reception. You will be fully informed about these arrangements and any follow up required.

We will only administer prescribed medicines with written parental consent. We have emergency inhalers and AAI, which may be used, with written parental consent, should the child's own inhaler/AAI

not be immediately accessible. Where required 'Individual Healthcare Plans' (IHPs) will be established and adhered to.

For further details, see '35. First Aid Policy' and '34. Health Care Needs Policy' on the school website.

SCHOOL UNIFORM

The Governors request that all children attending St Joseph's School wear the set uniform. Children are encouraged to take a pride in their uniform and their appearance.

Normal

- Navy skirt or pinafore or grey trousers
- white shirt
- school tie
- navy cardigan or jumper
- grey, white or navy socks or grey tights
- black shoes or plain, flat, black ankle boots

Summer Term and 1st two weeks of September (Optional)

- Sky blue polo shirt with grey shorts or navy skirt *or*
- Light blue & white gingham dress/culottes

PE Kits

Black pumps, white polo shirt/T-shirt, navy shorts, Training shoes for outdoor games (or pumps) on hard surface.

Pupils with long hair should have it tied up, in a bun or plaited out of the way. Any hairbands or accessories should be plain and match school uniform colours. Only natural hair colours are permitted in school.

No jewellery should be worn for school. This includes studs, earrings, bracelets, necklaces, medals and chains. Wrist watches are allowed, but the school cannot be held responsible for loss, or damage. No nail varnish should be worn.

There is no expectation for uniform to carry the school crest. Our school uniform suppliers are Uniformed (01492 702757) A supply of good quality pre-loved uniform is available from school, and is managed by the PTA. School uniform grants are available from Conwy for those families entitled to apply each year.

<https://www.conwy.gov.uk/en/Resident/Benefits-and-grants/Education-Benefits/School-Uniform-Grant-in-Conwy-County-Borough.aspx>

Parents should ensure that all children's clothing have name labels. From experience, any clothing that is not marked with your child's name is likely to end up in recycling.

Pupils should not bring any expensive items to school, including mobile phones. If, for some reason, children do need to bring expensive items or phones into school, they should be handed to the class teacher on arrival and collected at the end of the day.

For further details, see '22. School Uniform Policy' on the school website.

SCHOOL MEALS

The school meals' service promotes healthy eating. School meals are provided free to all primary age children in Conwy. This is funded directly by Welsh Government. **Parents must inform the school if their children require a modified diet.**

Even though ALL children receive free meals, if your family income entitles your child to 'Free School Meals', please DO still apply. There are further benefits associated with this entitlement, including additional funding of over £1000 to school to support your child's learning and payments, to your family, during school holidays.

https://conwy-self.achieveservice.com/en/service/Free_School_Meal_Application

We strongly encourage all children to take up the offer a free school meal. However, children are allowed to bring a packed lunch to school. Drinks should be cold and in a plastic screw top flask or in a plastic bottle or carton. Cans and glass are not allowed in school. We encourage parents to provide a healthy packed lunch in line with our Healthy Schools commitment. Children should not bring fizzy drinks to school. **We politely request that packed lunches do not contain nuts, as we have a number of children with severe nut allergy.**

All children are encouraged to bring a piece of fruit or alternative healthy snack to be eaten at morning break.

SCHOOL TRANSPORT

Children living over two miles from school may qualify for free transport to school. If you wish to apply, please use the link below.....

[School Transport Applications - Information - Self \(achieveservice.com\)](#)

CURRICULUM

St Joseph's is a predominantly English medium primary school. The language for the majority of teaching and learning is English, but we are working to increase the percentage of lessons/sessions delivered using Welsh (currently less than 20%). We are working through the Cymraeg Campus Awards Scheme. Currently, the school communicates with parents through the medium of English.

The school aims to create a caring environment, which is conducive to the academic, personal and social development of each child. We are currently working towards the award of the 'Nurturing Schools Programme'.

The curriculum is differentiated appropriately to meet the diverse needs of all children. As they move through the school, the children are encouraged to become independent learners through the provision of challenging activities, appropriate to their ability.

We offer a unique curriculum designed to help every child 'Grow in Love and to achieve the aims of the **'four purposes'** - these are to create: ambitious capable learners, enterprising, creative contributors, ethical, informed citizens and healthy, confident individuals.

There are six '**Areas of Learning**': Expressive Arts, Health and Wellbeing, Humanities, Languages, Literacy and Communication, Mathematics and Numeracy and Science and Technology. Most of the learning takes place through the delivery of cross-curricular topics, but some learning will be in discrete lessons.

Further details about the Welsh Government's foundations for our new curriculum can be found by clicking the link. <https://hwb.gov.wales/curriculum-for-wales>

For further details, see '18. Curriculum Policy' on the school website.

RELIGIOUS EDUCATION

As a Catholic school in the Wrexham Diocese, Religious Education is at the heart of our curriculum. It is woven into all aspects of school life and learning. Some content is delivered through cross-curricular work with other areas of learning, some as discrete lessons and the rest is delivered through whole school focus topics at key times during the liturgical year (e.g. Advent/Christmas, Lent/Easter)

Parents of children who are non-Catholic provide a supporting letter stating that they are choosing to support the Catholic ethos of the school, which includes involvement in all religious education and collective worship activities.

For further details, see '1. Religious Education Policy' and '3. Spiritual and Moral Policy' on the school website.

PRAYER AND LITURGY

Pupils come together in class to pray at the beginning, middle and end of every day. On a Monday morning and a Friday afternoon the whole school gathers for 'Prayer and Liturgy'.

The children participate in classroom or whole school celebrations at the end of each Religious Education topic. There is close co-operation between the Parish Priest, the school and parents.

We have regular school Masses in which the children are actively involved. Pupils help to prepare the liturgy and attend Masses as a whole school at the beginning and end of each term and on special feast days. Masses being celebrated are related to the Religious Education themes being studied. Parents are encouraged to attend these school masses.

Note - 'Collective Worship' is a term used in legislation in this country but is not a phrase we use readily in a Catholic context. 'Prayer' and Liturgy' are more commonly used in our school.

For further details, see '2. Prayer and Liturgy Policy' on the school website.

SACRAMENTAL PREPARATION

As part of the Religious Education syllabus pupils learn about the sacraments throughout the school.

Children are prepared to receive the Sacraments of Reconciliation and Holy Communion within the parish. Members of the parish act as guides during the preparation process; this is a process in which parental support is vital.

EXTRA CURRICULAR

There are a range of after school clubs and activities on offer for pupils. Some clubs are hosted by external providers and some by school staff. Charges may apply to clubs hosted by external providers or school clubs with significant expenses. Timetables for clubs are issued at the start of each half term.

SPORT

All St Joseph's children are taught a variety of activities providing opportunities for the development of physical, cognitive and social skills. We believe that sport promotes such qualities as enjoyment, perseverance, enthusiasm, tolerance and reliability.

Games, Gymnastics and Dance are taught in all classes throughout the school. A Conwy approved 'Physical Literacy' scheme of work is used to plan and deliver many of these sessions. Pupils from Years 2 -6 have the opportunity to attend a course of swimming lessons during the year. Pupils are given the opportunity to participate in residential, educational activities.

Pupils are given the opportunity to participate in athletics, play football, netball, rugby, tennis and cricket after school during the year and to take part in a range of sporting competitions.

CHARGING / EDUCATIONAL VISITS

Musical tuition is provided, by Conwy Music Service, for a range of instruments. The annual price for lessons is set by the service and fees are payable direct to the service.

Swimming tuition and transport is provided by the school. There is no cost to parents/carers.

During the course of the academic year pupils are given the opportunity to engage in various educational activities. The school will only ask for voluntary contributions to fund such activities and visits. If the total collected is insufficient to cover the total bill, trips may be cancelled.

All payments must be made on the ParentPay system.

For further details, see '16. Charging Policy' on the school website.

ADDITIONAL LEARNING NEEDS

In line with the Additional Learning Needs Code for Wales 2021, St Joseph's recognises the importance of early identification, assessment and provision for any child who may have Additional Learning Needs from Nursery through to Year 6.

If a parent/carer or member of staff feel that any child has additional learning needs, then this will be investigated according to legislative procedures and a decision made. If it is determined that the child does have additional learning needs, then an Individual Development Plan will be drawn up in collaboration with parents/carers, our Additional Learning Needs Coordinator (ALNCo), teaching staff, other professionals and the child (whenever appropriate). From earliest identification, parents

are kept informed of the provision for their child and their progress is reviewed on a regular basis. The school aims to maximise individual help but minimise the feeling of being in any way different.

The ALNCo liaises with staff to plan teaching strategies and monitor development. Educational Psychology, Curriculum Inclusion and/or Social Inclusion Services may be called upon to assist staff in formulating a scheme of work for a child or to make an assessment.

A report on the school ALN policy is included in the Governors' Annual Report to Parents.

The school has an Accessibility Plan and a Strategic Equality Policy with a related three-year development plan. We aim to ensure equal access and provision for all pupils and parents.

The ALN teaching co-ordinator is Mr H Roberts and the ALN Governor is TBC

For further details, see '13 ALN Policy' and '15. Strategic Equality Policy' on the school website.

CHILDREN LOOKED AFTER

The person with responsibility for Children Looked After at St Joseph's is Mr J Wilkinson.

Pupils who are identified as Children Looked After are those who are in the care of a local authority (children in care) or provided with accommodation by them (e.g. children with foster parents). In line with our Mission Statement, we aim to support all such pupils through the provision of a caring and nurturing environment in which they feel secure, their needs are met and they are given equal access to educational opportunities. In order to do this the school works closely with other agencies, parents and carers to monitor and record progress and support the individual needs of the pupils.

For further details, see '38. Children Looked after Policy' on the school website.

ENGLISH AS AN ADDITIONAL LANGUAGE

The school aims to support all members of its community. We are very proud of the diverse nature of our school and parish community. This is celebrated in displays and events during the school year.

For further details, see '36. EAL Policy' on the school website.

SAFEGUARDING

At St Joseph's our primary concern is the health and well being of the children in our care. Our staff and Governors have all received the required Safeguarding training and are therefore fully aware of the symptoms of children at risk, the need to report any concerns immediately and who to report those concerns to.

The Designated Safeguarding Persons (DSPs) are Mr J Wilkinson, Mrs Janet Pritchard and Miss E Copp. We follow Wales Safeguarding Procedures when reporting any incident of suspected abuse.

For further details, see '5. Safeguarding Policy' on the school website.

RELATIONSHIPS AND SEX EDUCATION

We follow schemes of work which are approved by the Diocese of Wrexham and compliant with new Welsh Government legislation. This aims to provide a curriculum in relationship and sex education that is authentic to the Church's teaching and acknowledges pupils' stage of physical and sexual development.

Where appropriate, the school nurse is used to contribute to the delivery of the curriculum.

For further details, see '12. EPR Policy' on the school website.

COMMUNICATION WITH PARENTS

St Joseph's aims to develop a good relationship with parents. We believe it is essential to have co-operation and good communication between school and home.

Parents and children on entry to St Joseph's are given a copy of the prospectus and are asked to sign a Home School Agreement at the start of each academic year. This document sets out the school's ethos and educational responsibilities as well as the expectations and responsibilities of parents and children.

Information for parents is also made available on the school website, on our twitter feed (@StJosephsColBay) and school Facebook page

Prior to admission, parents of new children to St Joseph's are invited to school in the Summer Term for a welcome meeting to discuss arrangements and policy.

PARENTS EVENINGS/REPORTS

There are three organised opportunities to meet with parents during the school year. The first Parents' Evening of the year is early in the Autumn Term. The second will be in the middle of the Spring term.

A written report is presented to parents towards the end of the school year and parents are given the opportunity to discuss the written report in a third formal meeting. Letters are sent out to parents with the dates and times well in advance.

Throughout the year teachers are willing to see parents at very short notice, but it is obviously a great help if an appointment can be made.

COMPLAINTS PROCEDURE

At St Joseph's we aim to provide a high standard of education in a caring environment. All complaints are dealt with in a fair and positive manner. We encourage parents, visitors or volunteers to discuss any concerns they may have with members of staff.

Concerns relating to pupils should be raised with the class teacher, in the first instance, and then with the head teacher if problems are not resolved.

Most concerns can be dealt with quickly and effectively in this way. Should any concern be raised which needs to be investigated formally, the school follows Conwy Education Complaints guidelines.

For further details, see '17. Complaints Policy' on the school website.

EQUAL OPPORTUNITIES

It is the belief of the school that equal opportunities should be given to all pupils. Within St Joseph's we value and respect the different race, religion, culture and language of the children in our care. Each child will be valued as an individual and encouraged to develop positive attitudes towards difference with regard to the protected characteristics as defined by the Equality Act 2010.

The school recognises the rights of all members of the school community to be treated equally and follows the Conwy and Wrexham Diocesan guidelines for the admission and access of all pupils with additional learning needs. In line with requirements a Strategic Equality Plan for the school has been formulated following consultation with service users and relevant groups.

For further details, see '15. Strategic Equality Plan' on the school website.

HEALTH AND SAFETY

The school values the security, health, welfare and safety of each member of its community and follows the Conwy County Borough Council Health and Safety Policy guidelines to ensure that the highest standards are implemented and monitored.

Children are aware of procedures in the event of a fire and emergency lockdown. The children are supervised at all times and the building is protected by external fencing, security cameras and an electronically operated door safety lock to the main facility. We aim to take positive steps to promote safety within the setting and to ensure proper precautions to prevent accidents.

Parents must not bring dogs onto the school premises at any time. There is no smoking or vaping permitted anywhere on the school grounds. All visitors can only gain access to the site via the front entrance and the Digital Access System. When children are using the front playground, the main gate is locked.

For further details, see '8. Health and Safety Policy' on the school website.

PARENT TEACHER ASSOCIATION

The school has a hard-working PTA who meet on a regular basis. The PTA activities revolve around fund raising, but there is also great emphasis on the social relationship between teachers, parents and the community.

The PTA have funded a number of initiatives, over the years, such as supplies to develop the garden areas, a fixed outdoor canopy, ICT hardware, playground equipment and books. In addition, the PTA have provided transport funding for one educational visit per class per year.

General Data Protection Regulation (GDPR)

The school requests information to update pupil records at the start of each academic year. At the same time, parents are asked to give or decline consent for data usage outside the scope of the School Privacy Notice (e.g. use of child's image on school twitter account)

For further details, see '19a. Data Protection Policy' and '19b. School Privacy Notice' on the school website.

FINAL NOTE

We hope that this booklet has been of use to you.

At the time of printing all information contained in this booklet is believed to be correct. The Governors reserve the right to make necessary alterations.

A copy of this booklet is available on the school website:

www.santjoseph.conwy.sch.uk.

A copy of this prospectus in Welsh can be made available on request.
